Prim Library Resources

Using the library's resources effectively (not just Internet resources) contributes to developing each of SNC's core themes by exposing students to high quality academic resources, diverse opinions, new ideas, and a future that includes building on a liberal arts education. In this course, you will be expected to utilize the library's resources (either on-site or remotely) as you complete your assignments.

Prim Library Resources for SPAN 101: Educational Issues include, but are not limited to:

1. Electronic databases (for peer-reviewed research articles, reviews, newspaper and magazine articles)
2. Hardcopy texts: Prim Library has a large resource of texts.
3. Lib Guides: <http://Libguides.sierranevada.edu> These web pages contain instructions about how to use resources available at Prim Library, how to evaluate the appropriateness of information from the Internet for a research paper, how to cite sources, and other topics related to finding and using information.

Class Requirements, Expectations and Regulations:

Class expectations: Students are expected to be prepared with their assignments and keep up with required workbook homework. Everyone needs to respect each other in class since trust is essential to a welcoming classroom. Also be courteous and allow others a chance to equally participate. Late assignments will not be accepted unless related to medical, personal emergency, such as a death in the family or required school activity/event. All submitted materials must be typed, double-spaced, New Times Roman (12 font) with one inch margins on a word document and stapled if it applies with the exception of workbook, which should be done in pencil and corrected in red ink. All assigned materials are due at the beginning of class, no exceptions. I will not accept papers under my office door, via email or in my mail box. I would recommend that you do not throw any graded materials until you receive your final grade. All students are expected to provide the best possible work.

Attendance, Participation & Tardiness: Attendance and participation is required. You will receive one excused absence and afterwards points will be deducted for each unexcused absence. Assignments cannot be made up unless for medical or personal documented emergency. Tardiness is disruptive to class, so please be considerate and be on time. If you have conflict, please let me know ASAP so that we can make any necessary arrangements.

Electronic Devices & Note taking: Turn off your cell phone, ipod and all other devices in the classroom. You are NOT allowed to have your laptop on during class unless you are using it for a presentation. Thus, note taking of class lectures on laptops is strictly prohibited, along with audio tape and video recording.

Sanctions for Cheating and/or Plagiarism

The Honor Code

The faculty of SNC believes students must be held to high standards of integrity in all aspects of college life in order to promote the educational mission of the College and to encourage respect for the rights of others. Each student brings to the SNC community unique skills, talents, values and experiences which, when expressed within the community, contribute to the quality of the educational environment and the growth and development of the individual. Students share with members of the faculty, administration and staff the responsibility for creating and maintaining an environment conducive to learning and personal development, where actions are guided by mutual respect, integrity, responsibility and trust. The faculty and students alike must make diligent efforts to ensure high standards are upheld by their colleagues and peers as well as themselves. Therefore faculty and students accept responsibility for maintaining these standards at Sierra Nevada College and are obligated to comply with its regulations and procedures, which they are expected to read and understand.

Consequences of Violating the Student Honor Code

SNC students and faculty share the responsibility for maintaining an environment of academic honesty. Thus, all are responsible for knowing and abiding by the SNC Faculty/Student Honor Code published in the current SNC Catalog. Faculty is responsible for presenting the Honor Code and the consequences of violating it to students at the start of their classes AND for reporting all incidences of academic dishonesty to the Provost. Students are responsible for knowing what constitutes CHEATING, PLAGIARISM and FABRICATION and for refraining from these and other forms of academic dishonesty. Violations of the Honor Code become part of a student's academic record.

1st Offense: Student receives a zero for assignment/exam and counseling with faculty on the honor code, consequences for violating the honor code, and the value of academic honesty in learning.

2nd Offense: Student fails course and receives counseling with faculty on the honor code, consequences for violating the honor code, and the value of academic honesty in learning.

3rd Offense: Student is expelled.

ADA Accommodations

In accordance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, students with a documented disability are eligible for support services and accommodations. If a student wishes to request an accommodation, please contact the Director of Academic Support Services, Henry Conover, at (775) 831-1314 x7534, hconover@sierranevada.edu or go to the OASIS offices on the third floor of Prim Library within the first week of the semester.

Personal Problems: If something is bothering you or don't understand something discussed in class, please see me during office hours, make an appointment or send me an e-mail. If you are going through a personal hardship, you may want to contact student services and/or seek counseling services to assist you. For additional information contact Henry Conover at X-7534.

The SNC Email System

The SNC email system is the official communication vehicle among students, faculty members and administrative staff and is designed to protect the confidentiality of student information as required by the Family Educational Rights and Privacy Act of 1974 Act (FERPA). Students should check their college email accounts daily during the school year.

Students have a right to forward their SNC e-mail to another e-mail account (for example, @hotmail or @gmail). However, confidentiality of student information protected by FERPA cannot be guaranteed for SNC e-mail forwarded to an outside vendor. Having email redirected does not absolve a student from the responsibilities associated with official communication sent to his or her SNC email account.
