Upon successful completion of this course, a student should be able to:

1. Properly plan and pack for an overnight rafting trip.
2. Paddle class II/III+ whitewater.

### Methods of Assessing Student Outcomes

Student outcomes will be assessed using the following:

1. Attendance and participation in Tuesday pre-trip meeting and weekend rafting trip.
2. Willingness to help pack and unpack both personal and group rafting equipment for trip, as well as, helping out in camp.
3. Attitude!!!
4. Ability to identify rafting equipment and use it properly.

**Weekend Whitewater Rafting Gear List**

- Please arrive in the morning, on time, wearing your river clothes under a warmer layer. I recommend a long sleeve shirt and board shorts to wear under your wetsuit later.
- Also pack a dry change of clothes for camp (shirt, jeans, jacket, beanie, gloves, and sneakers) into a black garbage bag and duffel.
- Bring an old ball cap, or visor to wear under your helmet (the river loves to take hats so don't bring your favorite!).
- Raingear top and bottom (SNC will supply you with a paddle jacket which can be used in place of a rain top)
- Sunglasses with keeper strap are also a good idea (again, leave any expensive sunglasses you wouldn't want to lose at home!).
- Sunscreen and Chap Stick.
- Water bottle(s) (at least 2 liters!)
- Waterproof camera (optional).
- Snacks packed into a zip-lock bag (we will have a group dry-bag for you to store it in while on river).
- Sleeping bag (packed into a black garbage bag), ground pad, and ground sheet/tarp.\*
- Cup, bowl, spoon.\*
- Small flashlight or headlamp.\*
- Money for dinner one night, at least \$10.
- A smile!
