

**Course Code & No. - Section:** FNAR 217 sec. 5  
**Course Title (Credits):** 3D Lab (1)  
**Term & Year:** FALL 2017  
**Course Ref. No. (CRN):** 80632

**Instructor:** Russell Dudley, Logan Lape  
**Phone(s):**  
**Email:** [rdudley@sierranevada.edu](mailto:rdudley@sierranevada.edu)  
**Office:** Holman, flex space  
**Office Hours:** T & R 1:00 - 4:00 p.m., and by appointment

**Class Meeting Time:** MW 2:30 - 3:45  
**Location:** Holman Arts and Media Center, flex space

**Prerequisites:** None  
**Corequisites:** None

### Course Description

This 3D lab is a structured time with a faculty member for you to work on assigned projects for your ceramics, sculpture, or New Genres assignments.

### Student Outcomes:

- Completion of assignments for Fine Arts studio courses

### Instructional Strategies

This course will give students access to the 3D studios, tools, and input from faculty, assisting students working on their assigned projects for their 3D course/s.

### Required Texts and Materials

There is no required text.

### Attendance/Grading Policy

**100%** of your grade is based on attendance. You will have 3 available absences without penalty. Any absence above that will cause your grade to drop one full letter grade. You may be excused beyond three absences with medical documentation or permission of the instructor. **If you are more than 15 minutes late, you will be marked absent. If you leave extremely early, you will also be marked absent.**

**Also considered:** Participation and clean up. Cleaning up one's mess and studio is also considered as part of this grade. If you consistently leave a mess, your grade may be affected.

**Class Requirements**

All students are required to come to class prepared with appropriate clothing and with their tools and any required materials, to get busy and work on class assignments, not spending class time online!

**Sanctions for Cheating and/or Plagiarism****The Honor Code**

The faculty of SNC believes students must be held to high standards of integrity in all aspects of college life in order to promote the educational mission of the College and to encourage respect for the rights of others. Each student brings to the SNC community unique skills, talents, values and experiences which, when expressed within the community, contribute to the quality of the educational environment and the growth and development of the individual. Students share with members of the faculty, administration and staff the responsibility for creating and maintaining an environment conducive to learning and personal development, where actions are guided by mutual respect, integrity, responsibility and trust. The faculty and students alike must make diligent efforts to ensure high standards are upheld by their colleagues and peers as well as themselves. Therefore faculty and students accept responsibility for maintaining these standards at Sierra Nevada College and are obligated to comply with its regulations and procedures, which they are expected to read and understand.

**Consequences of Violating the Student Honor Code**

SNC students and faculty share the responsibility for maintaining an environment of academic honesty. Thus, all are responsible for knowing and abiding by the SNC Faculty/Student Honor Code published in the current SNC Catalog. Faculty are responsible for presenting the Honor Code and the consequences of violating it to students at the start of their classes AND for reporting all incidences of academic dishonesty to the Provost. Students are responsible for knowing what constitutes CHEATING, PLAGIARISM and FABRICATION and for refraining from these and other forms of academic dishonesty. Violations of the Honor Code become part of a student's academic record.

- 1<sup>st</sup> Offense: Student receives a zero for assignment/exam and counseling with faculty on the honor code, consequences for violating the honor code, and the value of academic honesty in learning.
- 2<sup>nd</sup> Offense: Student fails course and receives counseling with faculty on the honor code, consequences for violating the honor code, and the value of academic honesty in learning.

3<sup>rd</sup> Offense: Student is expelled.

### **The Mission Statement:**

**Sierra Nevada College graduates will be educated to be scholars of and contributors to a sustainable world. Sierra Nevada College combines the liberal arts and professional preparedness through an interdisciplinary curriculum that emphasizes entrepreneurial thinking and environmental, social, economic and educational sustainability.**

### **The Core Themes:**

Liberal Arts

Professional Preparedness

Entrepreneurial Thinking

Sustainability

### **ADA Accommodations**

In accordance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, students with a documented disability are eligible for support services and accommodations. If a student wishes to request an accommodation, please contact the Director of Academic Support Services, Henry Conover, at (775) 831-1314 x7534, [hconover@sierranevada.edu](mailto:hconover@sierranevada.edu) or go to the OASIS offices on the third floor of Prim Library within the first week of the semester.

### **The SNC Email System**

The SNC email system is the official communication vehicle among students, faculty members and administrative staff and is designed to protect the confidentiality of student information as required by the Family Educational Rights and Privacy Act of 1974 Act (FERPA). Students should check their college email accounts daily during the school year.

Students have a right to forward their SNC e-mail to another e-mail account (for example, @hotmail or @gmail). However, confidentiality of student information protected by FERPA cannot be guaranteed for SNC e-mail forwarded to an outside vendor. Having email redirected does not absolve a student from the responsibilities associated with official communication sent to his or her SNC email account.

### **Safety Issues:**

Please consider your well-being and those around you when working in the ceramics and sculpture studio. Wear a respirator when working with dry glaze materials and sweeping. Wear gloves and safety glasses or face shields when required. Don't sacrifice your safety for your work; you can make another piece, but you can't make new hands. Tie long hair back when using the wheel, grinder or other rotating tools. Do not have long fingernails; they can cause hand injuries. Do not play with equipment, as it can be

dangerous.

**Studio Usage:**

**Only students registered in a studio class at SNC may use the studios.**

Do not bring in your friends to play. Security will be given rosters, and will be checking to make sure that students using the wheels, etc. are indeed registered students.

**End of the semester:**

At the end of the semester please gather all your things that are in the studio and remove them. Throw out other pieces that you do not want, or they will be tossed or absorbed.
