Instructor Signature  Date

*Time conflicts require signatures from each instructor.

The student named above has been granted permission to register for the course named above for the following reason:

☐ Course prerequisites have been met through transfer work not yet in the system.
☐ Course prerequisites have been waived based on faculty assessment of the student’s ability to succeed, despite not meeting the standard prerequisites.
☐ Instructor is willing to over-enroll the course despite it being at maximum capacity.
☐ The student has special permission to take course despite the fact it is outside his/her regular major.
☐ The student has special permission to take a course not at his/her student level.
☐ The student has special permission to take a course at another campus.
☐ Other: _____________________________________________________________________________
